A publication of the Missouri Society of Radiologic Technologists

July 1996

Mark those calendars!

Remember . . . the 1997 MSRT Annual Conference is set for Wednesday through Sunday, April 23-27, at the Airport Marriott in St. Louis. Mark your calendars now!

So sorry!

• Our apologies to Shawn Snider and Debbie Consella, whose essays and identities were scrambled in the May 1996 issue of *The Radiographer*. The essay published in that issue was written by Shawn Snider, who won first at the Technologist Level.

Consella won first place at the Student Level; her essay will be published in the fall issue of *The Radiographer*.

• Apologies also to Barb Hente; she and Norman Hente shared first place in Exhibiton Competition at the Technologist Level.

Sorry for the mix-ups!
