MoSRT bylaw changes will be voted on at the annual conference

Programs, please, remember to bring donations and baskets for the Silent Auction

Please see attachments: Message from Conference Coordinator and Annual Conference Flyer

Next Radiographer coming in June

Greetings from the Conference Coordinator

We are excited to welcome students and technologists from across the midwest back to Columbia! Plans for the 86th Annual MoSRT Conference are well underway and we look forward to having you join us April 4-6, 2018. Our theme this year is "***Our Members Get It Done***", and we will be highlighting ways in which technologists get things done. Our Program Chair, Kristi Littleton, has lots of great sessions on the agenda, with a range of topics that are sure to peak your interest. We are thrilled to present some very accomplished speakers this year. Jennifer Green, the Clinical Forensics Program Manager from St. Luke's Hospital will share about providing care for patients who have been the victims of violence. Cathie Kukec, FASRT, RT(R)(M)(QM), is a fellow and past-president of the ASRT and a dynamic speaker. We are happy to welcome her to Missouri! We are also welcoming back Ben Morris, FMoSRT, MSED, RT(R)(T)(CT), Director of the Cancer Center and Urgent Care at CoxHealth Branson. He has a couple of great sessions on workplace interactions and our role in creating positive care environments. Our Murray Memorial Lecture will be given by Janet Akers-Montgomery, MET, RT(R)(M). This year's slate of speakers are truly technologists you can depend on to *Get It Done!* They will inspire you to think differently about your role in improving health care and how you can *Get It Done* in your areas of influence.

Please note that we are encouraging technologists who haven't attended recently to join us for the **Working Technologist's Symposium** on Friday afternoon for a discounted rate of \$20 for 3 CEUs. We are also offering **Early Bird discounts** on registration for any or all days to those who register **before March 15**.

If you haven't joined us in Columbia yet, come and see the well cared for facility and enjoy our reasonable room rates of only \$96.95 for up to 4 occupants. Enter this group discount code when you register: **RD8**. We have found this property to be very well organized and they provide a wonderful setting for our MoSRT Annual Conference!

Come join us in Columbia – to flex our muscles and prepare to Get It Done!

Carla M. Allen
