Each survey must also be completed at the end of each lecture with your unique identifier and ASRT approval number included to receive credit for each lecture.

You will receive an attendance certificate for CE documentation via email two to three weeks after conference. Since certificates will be sent via email, MoSRT District 1 will also be submitting ASRT member’s CE records for this event to the ASRT (only if you provided your ASRT number on your registration form). If you did not provide your ASRT number at time of registration you will need to submit your CE certificate to ASRT to be added to your record.
